Sid: Hello Sid Roth here.*

Welcome to my world where it is naturally supernatural. My guest Joshua Mills is a legitimate sign and wonder. You will understand what I mean in just a few moments. But he was preparing for a career in film animation, he had a letter of intent from Warner Brothers, and you come from generations of Pentecostals, and your parents take you to something called a renewal meeting, and you should have loved it, but that's not what happened.

Joshua: I thought the people were crazy, I saw them laughing, I saw them shaking, I couldn't understand it.

Sid: What's wrong with laughing and shaking, the Bible is full of things like that?

Joshua: You know it never happened in my church growing up.

Sid: Yeah but your church was obvious, in other words you thought abnormal was normal, and by consequence, normal was abnormal.

Joshua: Right, exactly.

Sid: So you are wondering probably, how do I get out of here?

Joshua: I really didn't want to be there, I was watching to make sure nobody would come close to me, touch me, make sure no one would come lay hands on me.

Sid: What were you afraid of?

Joshua: I was afraid that maybe I would get the same stuff they were getting.

Sid: Soooo...

Joshua: So I ended up just sitting there, you know the preacher got up said open your Bible to Acts, chapter two, the next thing I know Sid, is that it was just as though the hand of God just catapulted me out of my seat down to the floor, and I started laughing for three or four hours.

Sid: Had you ever laughed by the Spirit, I know you have laughed before, but by the Spirit of God before?

Joshua: I had never laughed in this way, to this degree every before in my life.

Sid: Was it good?

Joshua: It was awesome.

It was absolutely amazing.

Sid: do you think you had to laugh that long to get all that religious bondage off of you?

Joshua: That's probably what was happening.

Sid: Did you see anything; did you hear anything while this was going on?

Joshua: The only thing that I knew was that I felt such a joy, such a peace, such an awesome presence of God on me that night.

God was just filling me with such an overwhelming sense of His presence and he was changing all my perspectives, he was changing everything that I had thought about the way that my life would go and...

Sid: I mean you were headed towards a top; you can make a lot of money in animation.

Joshua: Right, that's what I was hoping to do. And after that experience all my intentions and all my perceptions changed, and I began to just want to pursue the will of God for my life.

Sid: Now why did you start all of a sudden to move into worship, were you a musician before?

Joshua: I didn't play the keyboard, I never really wrote a song before that time.

Sid: Did you ever take any music lessons?

Joshua: I had take some piano lessons, I was actually forced to take piano lessons when I was a little child in kindergarten, first grade, my mother...

Sid: For how long did you do this?

Joshua: I think about several months.

Sid: I see, did you force yourself to learn as little as possible?

Joshua: Actually I would sit at the piano and cry cause I really didn't want to do it.

Sid: What a sense of humor, so how did you make that transition to worship leader from a crybaby, no I was just teasing.

Joshua: Well the day after I had that experience with the Holy Spirit it was like God just began imparting in me such a desire for praise and to worship, and He showed me that I could come into His presence through praise and worship, and I sat down at a piano, it is like it is so supernatural that I didn't even, I can't even hardly explain what happened exactly, I sat at a piano and I began to play songs and began to worship God.

Sid: You can't play, you had a few, I had a few lessons when I was a kid, I was older than you, and I can't do anything, so I mean you can't play the piano if you have not been taught.

Joshua: Right.

Sid: It's not; you don't just walk up there and play it.

Joshua: the Bible says the Holy Spirit will teach us in all things, and so I was taught by God how to play the piano.

Sid: How long did it take from that point for you to become the worship leader of your church?

Joshua: Well within two and a half to three months I began leading worship in the church.

Sid: Now a little earlier we had you play the piano and worship God and something happened, gold dust was all over your hands and all over your jacket, why?

Joshua: Well it was a sign and a wonder how I came into praise, how I came into worship, how I came to learn to play the piano, and ever since that happened to me I find any time I am worshipping signs and wonders follow.

And signs and wonders just began to manifest during the praise and the worship.

Sid: What is the, I want you to pick one of the

strangest signs and wonders that has occurred while you have worshipped God?

Joshua: Probably the oil beginning to flow out of my hands, because my fingers got slippery on the keyboard.

Sid: I will tell you what, this is not entertainment, this is a God experience, some of you have never had a God experience before, this is your moment. This is what you have been asking for, that God loves you so much, open yourself up as we hear Joshua who cannot play the piano, is not a musician, is not a singer, supernaturally goes to the piano and if you look real closely you may see some gold dust.

Joshua lets go to that that you did earlier.

Music:

Surround me oh Lord,
Surround me oh Lord,
Surround me oh Lord,
Let your presence fill this place.

I love your presence;
I love your presence,
In your glory I will stand
I will stand and lift my hands.

In your glory I will see
Every miracle you have for me.
Every miracle, every miracle,
Every miracle, every miracle,
In the glory, in your glory,
In your glory...

We'll be right back to, "It's Supernatural."

Sid: Sid Roth here with Joshua Mills, Joshua was, you might call, minding his own business and got hit with the power of God to the point he was catapulted out of his seat, he laughed for three hours and then God spoke to him, and what did God tell you about worship?

Joshua: He just began imparting such a desire in me to praise and worship Him and I began to realize that it was praise and worship that would cause me to enter into the glory.

Sid: And what is the glory?

Joshua: The glory of God is His presence, His nature, His character; the fullness of who He is; He is glory.

Sid: It is like Moses wanted to be in God's presence, he wanted to see His face, can we mere mortals be in His presence all the time?

Joshua: God has given us the ability to come into His presence, into His glory, through our praise and our worship; He has given us the ability to go there.

Sid: Now when, for instance, we are featuring this throne room encounters, I am so fascinated by this, you were at this congregation and you weren't doing a record or anything, a recording session, you saw something and you spoke out what you saw, what did you see?

Joshua: I began just sensing such a sense of God's glory I began to see the angels of God come into the meeting, I began just to see different aspects of His Spirit, it was just a supernatural thing that began to happen in that meeting.

Sid: What happened to the people?

Joshua: People, there were many that began getting healed in their bodies, there were several that were filled with the Holy Ghost that night, and others just it was like they just couldn't stay in their seats anymore, they got down on the floor and as they just laid before God on the floor, they were carried up into third heaven encounters, caught away into the Throne Room.

Sid: Now just out of curiosity, I understand, that happened here because I can sense the presence of God just as we are talking right now, however when people just listen to this CD are you getting reports of having third heaven experiences where they are caught up into the heavenlies?

Joshua: We are getting so many reports and testimonies from people, they will even be driving down the road and

just feel themselves lifting up out of their body,
they have to pull over to the side of the road just to
take a break just to enjoy the glories of heaven.

Sid: I think you know, Joshua is a sign and a wonder
when he plays the piano, and when he sings but then
signs and wonders occur because he ushers us into the
glory, but this is outrageous, people actually instantly
lose weight, when they move into the glory?

Joshua: Yes we have seen a lot...

Sid: Oh, come on, now Josh don't josh me.

Joshua: I know it sounds crazy Sid, but people are literally
losing weight instantly in the meetings as they come.

Sid: How much?

Joshua: Well the first time I ever saw this it was
the most dramatic experience I ever had with the
supernatural weight loss, a lady lost
one hundred pounds of weight on her body, she had a...

Sid: How could she be wearing the same clothes
if she lost a hundred pounds?

Joshua: Well by the end of the meeting her clothes were
absolutely drenched, soaked, and I mean she smelt so bad
they sent her to the back room wrapped her in a towel,
send her home in a taxi, and she couldn't wear the same
clothes, we have had people in our conferences
the next day bring us garbage bags full of their clothes,
saying do you know somebody that can wear these
clothes because they don't fit on us anymore.

Sid: What did you think the first time you saw that?

Joshua: I was absolutely blessed by it because she had
come for prayer, she was asking God for, you know,
her body to be healed of this water retention, and we
prayed for her and you know we didn't see anything
happen right away but as she just continued to rest,
just sit in that glory, that's when it happened.
So the thing I have learned about the glory is that we just
need to let God's glory come and then just stand in the glory,
rest in the glory, knowing that He is doing the work.

Sid: What is the best way that someone
that has never experienced the manifest presence of God,
what is the best way to start?

Joshua: The best way to start is with your praise, the Bible
says that we enter into his court with praise, we come in
with praise and then we move a little bit further into
worship, and we let that worship carry us into His glory.

Sid: So if someone were to take this CD,
would that be a good start.

Joshua: It would be a great start.

Sid: Okay, you thought that weight loss was outrageous,
wait till you find out about people that have dental work
done of all kinds even whitening of their teeth,
I mean this sure beats any dentist I know of Joshua.

We'll be right back after this word.

We now return to, "It's Supernatural."

Sid: Hello, Sid Roth here with Joshua Mills and when Joshua ministers, when he worships God, when he plays the piano supernaturally when he is just, his presence, in fact when you did this CD you weren't even playing the piano you were just speaking and you started saying what you saw with your eyes, but that is not so unfamiliar, I mean that is what John did in the Book of Revelation.

Joshua: Right, right, we just began stepping into the glory and as I stepped into the glory it was the most amazing thing because I just began to speak what I was seeing, began to speak what I was feeling, and others were able to join in and go into that same experience.

Sid: Okay, you were minding your own business, you are enjoying life here in the states, you like these nice warm climates, and God speaks to you and says what?

Joshua: He told me, "Joshua, you need to go back to Canada."

And I said, "God I really don't want to go because it is too cold."

And for a whole weekend I wrestled with God about going to Canada and finally I said God I will go back to Canada but I will not go to the Arctic.

Sid: Why did you say that?

Joshua: I don't know, I didn't know anybody that went to the Arctic.

Sid: It just came out of your mouth.

Joshua: it just came out of my mouth.

And you know a month after getting back to Canada I got a phone call from a man who used to be my pastor growing up, and he said Joshua, he said I have got a new ministry going to the Arctic and I would like to invite you to come.

Sid: Needless to say you did not say no.

Joshua: I told him I did not feel led to go.

Sid: What is wrong, if I was your father I would hit you over the head.

Joshua: See, I had made a deal with God, I would go back to Canada but I wouldn't go to the Arctic. And for a whole year God began dealing with me about this, and I said to God at one point, I said God we had a deal.

And you know what He spoke to me?

He said, "That was your deal, not mine."

Sid: What happened when you would play the piano in churches in the Arctic area?

Joshua: We began seeing the glory just begin to roll into the meetings, there were times when the gold dust began to fall, there were other times you know we began to see the glory cloud literally roll in. Everybody there would witness the glory cloud, and through these different signs and wonders it would bring souls and harvest in communities, people would literally be coming in to see the sign, and once they got there and God began manifesting miracles, they would give their heart over to the Lord.

Sid: Now is it true that God did dental work on people, especially, this intrigues me as I never heard of it before Joshua, peoples teeth would be supernaturally whitened.

Joshua: We have seen different people receive gold and silver fillings, which a lot of ministries have seen, but up in the Arctic where there are no dentists and there is no ability to go to a dentist we literally saw people getting their teeth cleaned, teeth whitened, straightened out, God just doing supernatural miracles in people's mouths.

Sid: I know I am stretching some of you right now I might as well stretch you all the way, you see in the Arctic area you need sunglasses because the glare could blind you, and so there was a woman out, was she fishing or?

Joshua: She was going out on the water to go fishing, and she had these sunglasses on to keep her direction and when she went out into the water God began blessing her with such a wonderful catch of fish she just continued to pull them in, she was pulling up this big fish Sid, and as she leaned over the boat the glasses fell off her head into the water.

Sid: So this was dangerous, she could loose her eyesight.

Joshua: It was a big situation for her, but instead of being worried, she just knew that she served a miracle working God and that He would take care of all the problems that she might have, and so she just continued fishing, just continued bringing in the wonderful catch of fish, she was ready to go back, she was pulling in the last catch of the day and as she was pulling in this big fish, she looked down on the fish, here he was wearing a pair of sunglasses on his face.

Sid: The fish was wearing sunglasses?

Joshua: The fish was wearing sunglasses.

Sid: I have never seen a fish with sunglasses, have you?

Joshua: The wonderful part about this testimony is that it wasn't the same pair of sunglasses that she lost, but it was a brand new pair, a better pair of sunglasses than the ones she lost.

Sid: So are you really seeing these very strange signs and wonders in the Arctic?

Joshua: We are seeing so many unusual signs and wonders, not just in the Arctic, but all over the world.

Sid: Could people participate in this right now at this moment if you were to praise God and if you were to ask

in Jesus Name for what you need, if you need healing in your body, put your hand on your body, if you need healing in your heart because you have been hurt, put your hand on the heart, if you need your family to be restored, just worship.

Joshua I am going to put you on the spot but then you couldn't be any more on the spot than God has done with you, would you look in the camera and just worship God, I am going to worship with Josh and the reason is there is such a presence of God on this set right now.

Do you sense what I sense?

Joshua: Yeah I sense a wonderful anointing right now. I actually sense that God is working some miracles right now, I am getting the names Vickie and Glen and I am hearing that God is actually restoring your marriage, it is something that has been on your heart, been troubling you, it is almost like you have been on the brink of divorce, but right now just let God's glory come and just bring that restoration, He is restoring your marriage, and I also see in the marriage restoration He is also beginning to restore your finances right now.

I hear the name Barbara and I am supposed to tell you this, that your son is coming home so wipe away your tears, get happy because your son is coming home, hallelujah.

Sid: this is not a new thing with you, you know specific names of people, how long has this been going on?

Joshua: Probably for about the last year, God had been giving me names, addresses, phone numbers for different people in the meetings.

Sid: Phone numbers?

Joshua: There will be times I get a phone number.

Sid: Has it been verified that this is true?

Joshua: Oh yeah, people stand up and I mean that's, I don't know them from a pile of beans and God will just do it and give me a word.

Sid: Listen I don't want to miss what God is doing right now, would you just worship God for a moment?

Joshua: Yes.

Sid: Right now.

Joshua: Hallelujah, Jesus we just praise you (unknown tongues, praying in the Spirit)

Hallelujah, oh we worship you Jesus, we just love You, we love Your presence, we love Your glory in this place, we just thank you for the wonderful outpouring of Your Spirit, hallelujah, (unknown tongues)

Oh come on just life up your hands in that cloud. (unknown tongues)

Glory, glory, glory we worship You, we bless You, we magnify You, we glorify You, oh Jesus we just adore You, hallelujah, hallelujah, hallelujah, hallelujah.

Sid: Joshua I am hearing that people are being healed all over the place, I am hearing that peoples necks are being healed, if you will just move your head you will see that the pain is gone, backs are being healed, just bend over right now, your eyes, some of you are seeing things before your eyes and what is going on is the veil is coming down and you are seeing in the Spirit world.

Joshua, what are you sensing?

Joshua: I sense that someone is actually getting a miracle varicose veins coming out of their legs, there is also somebody else you are getting wrinkles taken off of your body, just a supernatural miracle of God's Spirit.

Sid: Well you just thought you were watching television. You weren't just watching television you are watching God-vision, that is what this is, this is because He is in charge, I mean listen you think I am meshuganuh, it's a Hebrew word, crazy?

You think I am meshuganuh to be worshipping God unashamed in front of everyone?

No, I am not ashamed of the good news; you see I have found that Jesus, Hebrew Yeshua, is King of the Jews. He is the Son of God, He is God in human form, literally the Word of God was spoken and deposited in a human body who became your substitute for your sins and your diseases and by His wounds you are not just forgiven, God says, I remember, in the Jewish scripture, "I remember your sins no more."

You are clean, or there is a nice word, you are righteous, and you can have nothing separating you from the love of God.

You could give me Josh, a million dollars, I would laugh at you, to give up what I am experiencing right now, and you can experience this because God is not a respecter of persons.

Oh does God love you!

A spine has just been healed.

Oh does God love you.

I love your presence,

I love your presence,
